In the Matter of
ENTERGY NUCLEAR OPERATIONS, INC.
(Indian Point Nuclear Generating Unit Nos. 2 and 3)
Docket Nos. 50-247-LR/286-LR

Dear Administrative Judges:

In my letter to the Atomic Safety and Licensing Board ("Board") of June 26, 2012, I transmitted an electronic copy of the NRC Staff's ("Staff") draft Supplement to the Final Supplemental Environmental Impact Statement ("FSEIS") for license renewal of Indian Point Units 2 and 3.

As indicated in my letter of June 26, the Staff also wishes to provide a paper copy of the draft FSEIS Supplement to the Board and parties. Accordingly, a paper copy of the draft FSEIS Supplement is being transmitted to the Board and parties today, by mail.

Sincerely,

A handwritten signature in cursive script that reads "Sherwin E. Turk".

Sherwin E. Turk
Counsel for NRC Staff
