**INTERVENORS' REVISED REPORT OF 10 C.F.R. § 2.323(b) CONSULTATION PRIOR
TO FILING OF FEBRUARY 2012 'INTERVENORS' MOTION
TO AMEND MOTION FOR ADMISSION OF CONTENTION NO. 5'**

Now comes Terry Lodge, counsel for Intervenors Beyond Nuclear, Citizens Environment Alliance of Southwestern Ontario (CEA), Don't Waste Michigan, and the Green Party of Ohio (collectively, "Intervenors"), and certifies as follows respecting the requirement of consultation prior to the filing of motions contained in 10 C.F.R. § 2.323(b). This report comprises a revised version of the report of consultation which was submitted by Intervenors on July 7, 2012, adding new facts. During a phone conference on July 9, 2012, counsel for FENOC reminded counsel for Intervenors that he had responded in February 2012 to Intervenors' email consulting on an anticipated motion filing. Counsel for Intervenors has previously apologized to the parties for his inadvertent error in stating in the July 7, 2012 filing that FENOC did not respond to that email, and now apologizes to the Licensing Board for any inconvenience.

The revised report of the February 2012 consultation follows:

On February 26, 2012, counsel contacted opposing counsel for FENOC and the NRC staff via email and outlined Intervenors' intentions of filing a motion to amend their pending Motion for Admission of Contention 5 by February 27, 2012.

On February 27, 2012, counsel for the NRC Staff responded with an email to Intervenors'

counsel, stating that the Staff reserved the right to oppose the motion, once filed. Counsel for FENOC contacted counsel for Intervenors by phone and left a voicemail on the morning of February 27, 2012, indicating that FENOC would oppose the anticipated motion to amend the basis for Contention 5.

Later on February 27, 2012, counsel for Intervenors filed “Intervenors’ Motion to Amend ‘Motion for Admission of Contention No. 5’” in the NRC’s EIE system.
