**Subject: License Amendment**

To Whom It May Concern:

I am submitting the following information in an effort to amend my current Specific License number 13-32049-01 issued to me by the NRC. As you will see, I am requesting two changes to my license.

Thank you in advance for your efforts. Should you have any questions or concerns, please contact me at my home office number, (812) 466-5478, or by email at [John.Young@aisgauging.com](mailto:John.Young@aisgauging.com).

Sincerely,

**Industrial Maintenance Engineering, Inc.**

John B. Young Jr.

President/RSO

## **Amendment #1**

### **Item number (11A) Add additional employee as Authorized User under my license**

I request to add David J. Baker to my license as an Authorized User allowing him to perform the items listed under item #9 of my license. (Authorized Use)

Listed below are the reasons why I feel I should be granted this amendment:

1. David has been employed by Industrial Maintenance Engineering, Inc. for over six months.
2. David has completed our one week training course that covers the topics listed in Appendix H of NUREG-1556, Vol. 18, Consolidated Guidance About Materials Licenses: Program-Specific Guidance About Service Provider Licenses, dated November 2000.
3. I have provided the training and training materials to David in a classroom atmosphere over a period of 40 hours.
4. I have provided over 40 hours of On-the-job training that has included supervised hands-on experience performing the tasks authorized on the license that are commensurate with the expected hazards during routine and emergency conditions.
5. David has successfully completed a closed book written exam based on the training he has received.

## **Amendment #2**

Please remove James Goodge from the license. He is no longer employed with Industrial Maintenance Engineering.
