Kevin,

Enclosed is a CD with EVERY file and/or document from the hard copy update of the ARC renewal.

This should save you some time.

I certify that these documents are identical to the hard copy sent under separate cover. These are the files used to print the hard copy.

If there are any questions, contact me directly at the above numbers.

Sincerely

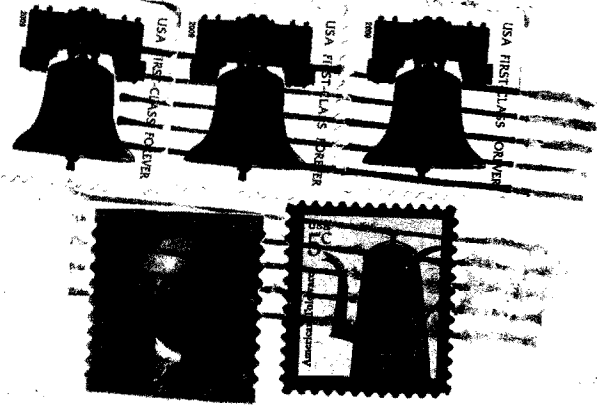

AMERICAN RADIOLABELLED CHEMICALS, INC

A handwritten signature in black ink, appearing to read "Regis A. Greenwood". The signature is written in a cursive style and is positioned above the typed name and title.
