Subject: Davis Besse questions for licensee

Good afternoon everyone,

To reduce the amount of emails that the region has to keep an eye out for from NRR, I'd like to suggest that if anyone has questions about the licensees evaluations, send them to me at, Pete.Hernandez@nrc.gov, and I will consolidate them and get them to the region. If there are any late questions, send them to me also and I'll get them to the region.

Thanks,

Pete
