Subject: November 13, 2011 Davis-Besse External Call
Date: Monday, November 14, 2011 8:07:00 AM

Marty,

Dan said you guys couldn't hear me yesterday when we did introductions on the call, but I listened in and took some notes to stay abreast of what was going on with the situation. I know you were on the call too, but if you need a summary of key points or anything, just let me know.

Thanks.
