Dear Lieutenant Colonel Chambers,

The U.S. Nuclear Regulatory Commission (NRC) is updating information for designated State contacts that receive advance notification of certain shipments of nuclear waste and spent fuel.

I left a message on your voicemail this morning to confirm that you are still the West Virginia contact for such notification. Please confirm by return email that you are still the West Virginia official to receive such advance notification, and that the contact information below is still correct:

Lieutenant Colonel J.C. Chambers Chief of Field Services West Virginia State Police 725 Jefferson Road South Charleston, WV 25309 (304) 746-2100 24 hours: (304) 746-2158
