Attn.: Anton Vegel, Director  
Division of Nuclear Materials Safety

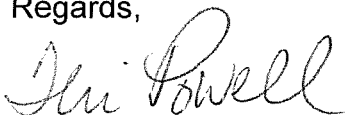

Dear Mr. Vegel:

In response to your letter dated June 28, 2012, Anadarko Petroleum Corporation acknowledges that it understands the requirements of its general license as outlined in 10 CFR 31.5 and is in compliance with the regulations.

Anadarko Petroleum Corporation also verifies that we will ensure that the required general license label is affixed to our Roxar transferred devices if or when the devices are returned to the surface.

If you have any questions or need additional information, please let me know.

Regards,

Teri Powell
