

Mercy Hospital Springfield
License No. 24-00866-02
Attention: Nick Lannutti, M.S.

I have reviewed your requests from your letter dated April 9, 2012 to add HDR authorization for Dr. Braun and your letter dated May 4, 2012, requesting the addition of Kimberly M. Creach, M.D. among other things. As discussed in our telephone conversation of May 30, 2012, my review cannot be completed until I have received and reviewed the following information:

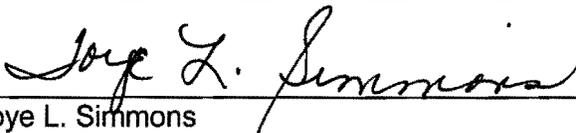

DR. STEVEN BRAUN

1. Please indicate the length of time Dr. Braun has been an authorized user of 35.300 and 35.400 material on your license.
2. Please provide a resume or vitae for Dr. Braun showing the any continuing education that may relate to the use of the HDR unit, such as accelerator use etc.
3. Please provide confirmation from the RSO or RSC of Mercy Health Center at Oklahoma that Astrid E. Morrison, M.D. is an authorized user of the HDR unit on this license.
4. Please clarify the date(s) "April 02 -04" of HDR training on Dr. Braun's 313A(AUS) form. Specifically, include the year the training was obtained.

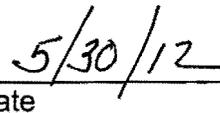

DR. KIMBERLY M. CREACH

5. Dr. Creach has not finished her training, according to the 313A form submitted. She will not complete her course of study until June 30, 2012. Therefore, she will not be added to your license at this time. When she has completed her course of study please completely resubmit your request and include the following:
 - A. Confirmation from the RSO at Washington University that Perry W. Grigsby is an authorized user on the license for 35.300, 35.400 and 35.600(HDR) material; and
 - B. Provide a copy of Dr. Creach's diploma from Washington University.

Please respond to the above in writing by June 15, 2012. You may scan your response with a signed cover letter and email to toye.simmons@nrc.gov or you may fax your response to 630-515-1078. Please reference control no. **577236** on your response. If you have any questions, please contact me at 630-829-9842.
