OK thanks Steve, I returned Ms. Fields call and told her that we are still in communications with the State and as soon as we have additional information, we WOULD get back with her. She was OK with that, I think she just wants to make sure that we have not forgotten her. Enjoy your trip.

Carrie,

I am currently in Massachusetts working to hold a public meeting on the general license regulations 31.5 and 31.6. I will be back in the office on monday. We have been in contact with Steve Tarlton, and they are still in the middle of negotiating with the Sheep Mountain Alliance. We received word recently that another organization based in Telluride, Colorado has joined the lawsuit against the state of Colorado. Dennis and Duncan are here. Next week, we will develop something that will lead us forward. Duncan knows about the recent events.

Hi Steve,

Is there any update on CO, I received another v/m from S. Fields asking about the status? Thanks!
