Holly, Scott – I'm drafting a quick talking point on the Colorado issue that I've been working all week in case you get some calls tomorrow. I'll also leave Holly the Comm Plan on this issue. Attached are the letters in question, from NRC to the state, and to the two Concerned Individuals who raised the concerns in the first place. These have been all over the media and I really don't think there are any media outlets left in Colorado that I haven't spoken to, but who knows.

FSME contacts are Duncan White (x2598) and Stephen Poy (x7135).
