Hi Yanmei - please ping me again on Monday, yes, I can send you the letters. It's going to be a silly busy day though, so please do remind me.

Hey, Dave,

This is Yanmei with Platts. Sorry for this late-Friday afternoon email. But you don't have to respond until Monday.

The Colorado Independent reported that NRC has issued a letter saying the state erred in its procedure of issuing a uranium mining license. Following is the link to the story. I haven't been able to fish out the letter mentioned in the story from ADAMS. Could you help? Thanks a lot!
