My name is Jeff Lynch and I work for the U.S. Nuclear Regulatory Commission's Intergovernmental and Liaison Branch.

I would like to follow up on the voice message I left for you earlier today and confirm that you are still the governor appointed Part 71 and 73 representative (i.e., **INDIVIDUAL RECEIVING ADVANCE NOTIFICATION OF NUCLEAR WASTE SHIPMENTS**) for the State of Oregon.

If in fact you are still the representative, I wanted to confirm that we have your correct contact information. The information I have on file is:

Ken Niles, Administrator

Preparedness Division
Oregon Department of Energy
625 Marion Street, NE
Salem, OR 97301
(503) 378-4906
Cell: (503) 884-3905
24 hours: (503) 884-3905

Thanks.
