John,

I have not received the letter yet. Can you send me a pdf. Verbally, the SHPO had said that they were satisfied and was sending the letter. Archival record packages were submitted to the State archives and the Monroe County Library.

Randy,

Can you please confirm this statement in sect. 2.7.4 of the FEIS?:

“The MOA’s first stipulation has been met because the Michigan SHPO stated in a letter dated May 7, 2012, that it had reviewed and accepted the recordation materials submitted by DTE, and DTE has

submitted original documentation packages to the State Archives of Michigan and the Monroe County Library and Reference Center.”

Thanks,

John
