UniStar's letter with ADAMS Accession Number **ML12198A012**, dated July 12, 2012, provides a response date of October 23, 2012, for responding to Question 13.03-51 of your RAI Number 346 (eRAI 6495). Please note the response date for your RAI question. I am assuming that this response date should not have any impact on the current EPM published date for completion of the Phase 2 SER input from your branch to the projects branch because this RAI will be listed as an open item in the P2 SER currently being developed by your branch. If you think that my assumption is not correct, please let either me or the chapter PM (Mike Miernicki) know about it immediately.
