Subject: FW: Response to Calvert Cliffs Nuclear Power Plant, Unit 3, RAI 352

UniStar's letter with ADAMS Accession Number **ML12194A615**, dated July 11, 2012, provides a response date of September 27, 2012, for responding to Question 03.09.01-2 of your RAI Number 352 (eRAI 6459). Please note the response date. I am assuming that this response date should not have any impact on the current EPM published date for completion of the SER input from your branch to the projects branch because this RAI was basically issued to create an open item in the SER. If you think that my assumption is not correct, please let me or the chapter PM (Mike Miernicki) know immediately.

The above UniStar letter can be accessed in ADAMS by utilizing this link: [Open ADAMS P8 Document ML12194A615](#)

Thanks.
