**Name of Licensee:** Smiths Detection Ijamsville**Name of Participant(s):** Peter Wallace, RSO  
Kathy Modes, NRC**Telephone No.** 202-641-3949**Subject:** Authorized Users**(NOTE: This will be used as the  
Documents Title in ADAMS)**

The application dated July 17, 2012 indicated three Authorized Users: Scott Lewis, Howard Dolloff and Brian Nelson, but the Radiation Safety/DOT Training list provided in the application identified Howard Dolloff, Scott Lewis, and Tamara Akers. During a discussion with the RSO, the RSO indicated that Brian Nelson took an online version of the training and Tamara Akers is a radiation worker.

NOTE: Brian's training description indicated working with the Ni-63 for over five years with Smiths Detection.

I informed the RSO that I would place Scott, Howard and Brian on as Authorized Users.
