My name is Jeff Lynch and I work for the U.S. Nuclear Regulatory Commission's Intergovernmental and Liaison Branch.

I would like to follow up on a brief conversation I had with Leticia Acida-Mercado earlier today and confirm that you are still the governor appointed Part 71 and 73 representative (i.e., **INDIVIDUAL RECEIVING ADVANCE NOTIFICATION OF NUCLEAR WASTE SHIPMENTS**) for the State of Hawaii.

If in fact you are still the representative, I wanted to confirm that we have your correct contact information. The information I have on file is:
