Steve,

The letter is awaiting Governor's signature. For some reason it was held up by the chief of staff along with other paperwork we sent along for signature. I will get it to you as soon as possible, but unfortunately, we won't have it by the 18th.

Kristine

Kristine,
Good morning!
If you cannot email me a copy of the Governor's letter right away that is OK. A Press Release assigning Steven Kuhr signed by the Governor is sufficient. Alternatively, an email from the Chief of Staff from the Governor's office is sufficient. My branch chief signs off on the memo to the *Federal Register* on Monday, June 18, so a prompt response will be helpful.
Have a good weekend,
Regards,
Steve

We provided the Governor's office with a draft designation letter for signature, I will try to track down a signed copy.

Kristine,
Thanks much.
I was told that on May 2 by Agnie in the Director's office but given the email address of Theodore Fisch.
I emailed Fisch twice for confirmation. He apparently read the emails but never replied.
Thanks for resolving the confusion on my part.
Finally, do you have any confirmation from the Governor's office, e.g., press announcement.
This is necessary so that I may put it in ADAMS which is our record system. Such procedures are necessary because of Safeguards Information may be handles by him.
Regards,
Steve

Ms. Hoffman:
I am updating the *Federal Register* Notice published October 31, 2011, that is expected to be published June 29, 2012.
I understand that Mr. Feeney is no longer Director and serving at the Governor's designee.
Please email me back who will be taking his place as the Governor Cuomo's designee and the appropriate contact information.
Thanks much,

Steve
