I just phoned Cpt. Zeller's office; he has temporarily reassigned to another agency.

I asked the secretary if he still is the alternative Part 71/73 rep to Mr. Zeller; she said she would follow-up with Zeller.

Cpt. Grondel:

My name is Jeff Lynch and I work for the U.S. Nuclear Regulatory Commission's Intergovernmental and Liaison Branch.

I would like to confirm that you are still the governor appointed Part 71 and 73 alternate representative (i.e., **INDIVIDUAL RECEIVING ADVANCE NOTIFICATION OF NUCLEAR WASTE SHIPMENTS**) for the State of Washington. Mr. Kevin Zeller is the governor appointed representative (see below e-mail confirmation), and at one point you were the governor appointed Part 71 and 73 alternate representative.

Are you still the State Washington's alternate Part 71 and 73 representative?

If in fact you are still the alternate to Mr. Zeller, I wanted to confirm that we have your correct contact information. The information I have on file is:

Captain Darrin Grondel
Commercial Vehicle Division
Washington State Patrol
P.O. Box 42600
Olympia, WA 98504-2600

Thanks.

Jeff, I am still the contact. Everything is correct except my title. I retired from the commissioned side of the agency and am not a civilian employee. I am now Mr. Kevin Zeller. Everything else is the same. Kevin
