

NOTE: The static water level surface depicted on the cross sections and the potentiometric contours depicted on the index map are based on Figure 3.7-8, which was prepared using all water level measurements collected during the May 2011 alluvial drilling program except the water level recorded at DB11-3-ALLUV-2, which is believed to have been recorded in error. Potentiometric contour elevations are in feet above sea level.

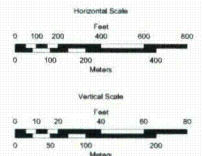

Cross Section Legend

- Silty Clays (Alluvium)
- Sand & Gravel (Alluvium)
- Gravelly Gravel
- Static Water Level Elevation from Potentiometric Control Map (see note)

Index Map Legend

- Project Boundary
- Land Application
- Alluvium
- Pass Creek
- Potentiometric Control (see note)
- Burdock POF Zone
- Catchment Area
