Attention: MATERIAL LICENSING BRANCH

To Whom it May Concern:

Three Rivers Health Authority is preparing to effect a change of ownership in the near future. In anticipation of this event we are submitting, attached, the Information Needed for Transfer of Control, Appendix G, 1 through 6.

As indicated in our responses our DBA, governing board membership, and administration will all remain as they are from one ownership model to the other. We are awaiting final approval from the IRS as to our tax exempt status before this transfer occurs.

Please contact me if you require any further information.

Sincerely,

A handwritten signature in black ink, appearing to read "William Russell".

William Russell
Chief Executive Officer

APPENDIX G
INFORMATION NEEDED FOR TRANSFER OF CONTROL

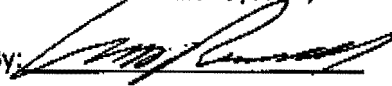

1. Three Rivers Health Authority, a hospital authority (the "Authority") formed under Act 47 of 1945, as amended, MCL §331.1 et seq., is transferring substantially all of its assets and operations, including the hospital owned by the Authority located in Three Rivers, Michigan, which is comprised of 60 medical/surgical beds (the "Hospital") to a newly formed Michigan nonprofit corporation, Three Rivers Health System, Inc. (the "Transfer"). The Transfer is authorized by Michigan law and, in particular MCL §331.9 (2). The Transfer will occur when the IRS grants final approval of Three Rivers Health System, Inc.'s application for tax exempt status under Internal Revenue Code section 501(c)(3). Upon completion of the Transfer, the new name of the Hospital will be "Three Rivers Health System, Inc." and will do business as "Three Rivers Health." The NRC may contact the President of the Hospital, Mr. William Russell, at 269-273-9601 for additional information regarding the Transfer.
2. This item is not applicable because there will not be any changes in personnel or duties that relate to the licensed program.
3. This item is not applicable because there will not be any changes in the organization, location, facilities, equipment or procedures that relate to the licensed program.
4. Currently, the surveillance program including surveys, wipe tests, and quality control are up-to-date. The surveillance program is expected to be up-to-date on the date of the Transfer.
5. All records concerning the safe and effective decommissioning of the facility will continue to be kept in the Nuclear Medicine Department of the Hospital and will be properly transferred to transferee on the Transfer date.
6. The transferee will abide by all constraints, conditions, requirements, and commitments of the transferor.
