No,

I deal directly with Kevin Browning the root cause team lead. Once you get a bridge line set up, I will forward this to Kevin.

Mel,

I'll set up a bridge line for these calls so NRR staff can participate if they desire. Who's your contact with the licensee? Is it Cliff Custer?

Thanks

Sam,

As we discussed on our call, here are my notes summarizing the call I had with the licensee to support our root cause inspection. At this point, the licensee intends to call me each week on Thursday at 2:00 pm central time to provide me a status update on the progress of their root cause team. If you, or other NRR staff desire to participate in these weekly calls, I recommend that you set up a bridge line to facilitate the expanded staff participation.

Thanks,

M

Team,

D/37

Attached is a summary of the conference call with Davis-Besse Root Cause Team to gather information on the status of their work. Let me know if you have any questions or suggestions for next weeks call.

M
