SUBJECT: NuScale Power, LLC request for approval of Reviewing Official In Accordance With Order Imposing Safeguards Information Protection Requirements for Access to Safeguards Information (NRC Project No. 0769)

Dear Mr. Held:

The above-referenced order requires the U.S. Nuclear Regulatory Commission to approve a person to be the reviewing official. The NRC previously approved Joshua David Parker as the NuScale reviewing official. NuScale needs a second reviewing official and hereby nominates William Franklin Ishmael as reviewing official. Mr. Ishmael will assume the role of primary reviewing official with Mr. Parker as back-up. Mr. Ishmael's fingerprints were previously submitted and he is currently authorized access to SGI.

If you have any questions, please feel free to contact Josh Parker at (541) 360-0554, or at jparker@nuscalepower.com.

Sincerely,

Edward G. Wallace
Vice President, Regulatory Affairs
