November 11, 2011

Mr. Bruno Caballero  
U.S. Nuclear Regulatory Commission, Region II  
245 Peachtree Center Ave., NE, Suite 1200  
Atlanta, Georgia 30303-1257

Dear Mr. Caballero:

You will find enclosed the exam material as required by NUREG 1021, "Operator Licensing Examination Standards for Power Reactors", Revision 9, supplement 1. All exam materials **MUST** be withheld from public disclosure until after the examinations are complete.

Enclosed you will find the printed paperwork listed below for the upcoming examination scheduled for the week of June 18, 2012 at Farley Nuclear Plant.

- ES-201-2, Examination Outline Quality Checklist
- ES-201-3, Exam Security Agreement
- ES-301-1, Administrative Topics Outline
- ES-301-1, Administrative Topics Outline with explanation
- ES-301-2, Control Room/In-Plant Systems Outline
- ES-301-2, Control Room/In-Plant Systems Outline with explanation
- ES-301-3, Operating Test Quality Checklist
- ES-301-4, Simulator Scenario Quality Checklist
- ES-301-5, Transient and Event Checklist
- ES-301-6, Competencies Checklist
- ES-D-1, Outline Submittal, forms for Six (6) Simulator exams
- Excel spreadsheets for the NRC exam simulator scenarios and JPMs and the Simulator Audit exam
- Audit Exam Operating test – (4 simulator scenarios, 301-1 form and 301-2 form)
- ES-301-1 and ES-301-2 for the past two NRC exams

In addition to the above printed material, there is one CD-R provided that includes an electronic version of the above listed materials and the reference disk for 10-10-2011. All of this is provided to ensure complete and proper documentation for the upcoming examination.

If you have any questions, please contact Gary Ohmstede, Billy Thorton or Howard Fitzwater at 334-814-4758.

Sincerely,

A handwritten signature in black ink, appearing to read "Gary Ohmstede", is written over a horizontal line.

Atlanta, Georgia 30303-1257

Dear Mr. Caballero:

You will find enclosed the exam material as required by NUREG 1021, "Operator Licensing Examination Standards for Power Reactors", Revision 9, supplement 1. All exam materials **MUST** be withheld from public disclosure until after the examinations are complete.

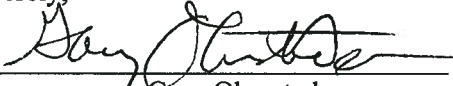

Enclosed you will find the printed paperwork listed below for the upcoming examination scheduled for the week of June 18, 2012 at Farley Nuclear Plant.

- 25 SRO written exam questions with feedback and analysis
- 1 simulator JPM
- 1 Admin JPM

In addition to the above printed material, there are two CD-Rs provided that include an electronic version of the above listed materials and a reference disk for 2-27-2012. The 25 SRO questions and the 2 JPMs are our early submittal as requested. The remaining 75 RO questions and the entire operating exam with the proper forms will be sent on March 9, 2012.

If you have any questions, please contact Gary Ohmstede, Billy Thornton or Howard Fitzwater at 334-814-4758.

Sincerely,

Enclosed you will find the printed paperwork listed below for the upcoming examination scheduled for the week of June 18, 2012 at Farley Nuclear Plant.

- ES-201-2, Examination Outline Quality Checklist
- ES-201-3, Exam Security Agreement
- ES-301-1, Administrative Topics Outline for RO and SRO exams
- ES-301-2, Control Room/In-Plant Systems Outline
- ES-301-3, Operating Test Quality Checklist
- ES-301-4, Simulator Scenario Quality Checklist
- ES-301-5, Transient and Event Checklist
- ES-301-6, Competencies Checklist
- ES-401-2 and -3, PWR Examination Outline
- ES-401-4, Record of Rejected K/As
- ES-401-6, Written Examination Quality Checklist
- ES-D-1, Outline Submittal, forms for Six (6) Simulator exams
- Two (2) separate bindings containing the 75 question RO Written Exam, and includes the references for the RO exam and the SRO exam
- One (1) binding containing the Administrative Topics JPMs and Simulator JPMs and In-plant JPMs
- One (1) binding containing the six (6) simulator scenarios and Excel spreadsheets for the NRC exam simulator scenarios and JPMs and the Simulator Audit exam

In addition to the above printed material, there is one CD-R provided that includes an electronic version of the above listed materials plus the following:

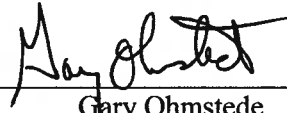

- A copy of the written examination (25 SRO questions and 75 RO questions), references for the RO exam and SRO exam, and the cover sheet for the SRO exam
- A copy of all simulator scenarios, JPMs and Admin JPMs
- A copy of the Audit exam with the ES-D-1 outlines for 4 scenarios, ES-301-1 and -2 forms for the operating exam
- The past 2 operating exams ES-301-1 and -2 forms

ncid  
3/9/12

In addition, we provided the 25 question SRO exam one week early. This is not included in this submittal on paper but is in the folder titled "1 ILT35 Written" on the CD-R and has not changed since our early submittal. Also included in the early submittal was two (2) JPMs. These have been included in printed paperwork for your ease of review.

All of this is provided to ensure complete and proper documentation for the upcoming examination. If you have any questions, please contact Gary Ohmstede, Billy Thornton or Howard Fitzwater at 334-814-4758.

Sincerely,

Dear Mr. Caballero:

You will find enclosed the exam material as required by NUREG 1021, "Operator Licensing Examination Standards for Power Reactors", Revision 9, supplement 1. All exam materials **MUST** be withheld from public disclosure until after the examinations are complete.

Enclosed you will find the printed paperwork listed below for the upcoming examination scheduled for the week of June 18, 2012 at Farley Nuclear Plant.

- ES-201-2, Examination Outline Quality Checklist
- One copy of the current ES-201-3, Exam Security Agreement
- ES-301-1, Administrative Topics Outline for RO exam
- ES-301-1, Administrative Topics Outline for SRO exam
- ES-301-2, Control Room/In-Plant Systems Outline
- ES-301-3, Operating Test Quality Checklist
- ES-401-2 and -3, PWR Examination Outline
- ES-401-4, Record of Rejected K/As
- ES-401-6, Written Examination Quality Checklist
- One (1) 75 question RO written exam with a cover sheet
- One (1) 100 question SRO written exam with a cover sheet
- References for the SRO and RO exam
- The answer key for the Written Exam consisting of the header information, Feedback and Notes section of the exam
- An answer key bubble type sheet for each exam printed from LxR
- An answer key by number and KA value
- Eight (8) Administrative JPMS
- Eleven (11) Control Room/In-Plant JPMS

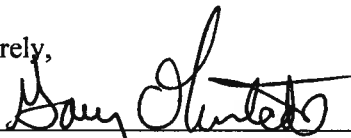

In addition to the above printed material, there is one CD-R provided that includes an electronic version of the above listed materials.

As discussed the following will be sent on Monday June 4, 2012 when the scenarios have been determined and candidate schedule for the simulator exam is developed.

- ES-301-4, Simulator Scenario Quality Checklist
- ES-301-5, Transient and Event Checklist
- ES-301-6, Competencies Checklist
- ES-D-1, Outline Submittal, forms for the Simulator exams
- The simulator scenarios for scenarios 2, 3, 4 5 and 6

All of this is provided to ensure complete and proper documentation for the upcoming examination. If you have any questions, please contact Gary Ohmstede, Billy Thornton or Howard Fitzwater at 334-814-4758.

Sincerely,

Atlanta, Georgia 30303-1257

Dear Mr. Caballero:

You will find enclosed the exam material as required by NUREG 1021, "Operator Licensing Examination Standards for Power Reactors", Revision 9, supplement 1.

Enclosed you will find the printed paperwork required upon completing the site administered Initial Written Examination by NUREG 1021, "Operator Licensing Examination Standards for Power Reactors", Revision 9, supplement 1. The facility licensee has no post exam comments to change or delete any question on the exam.

The Form ES-201-3, Examination Security Agreement, has not been completed but a working copy of the original is included. The final signed original will be sent at a later date when all signatures have been acquired.

Enclosed are the following:

- A copy of the ES-201-3, Examination Security Agreement.
- A SCANTRON form Marked as KEY and an LXR TEST KEY report.
- Statistics for each question for the RO and SRO exams.
- Preliminary grades (RO, SRO-only, SRO-OVERALL scores).
- Ten (10) original exam answer SCANTRON sheets: 6 SRO & 4 RO for use in grading the exam and copies of the same.
- Ten (10) original signed exam cover sheets and copies of the same: 6 SRO & 4 RO.
- A copy of each applicant's LXR generated individual scores report attached to his answer sheet.
- NMP-TR-423-F15 which list the questions asked by the applicants during the exam with the responses given.
- Individual question sheets that the students filled out and the proctor returned to the student with the answer.
- List of Applicants and docket numbers.
- Seating chart utilized during the written exam.
- Exams as administered (one 75 question RO exam and one 100 question SRO exam).
- One entire 100 question exam key with feedback.
- Compilation of Comments collected from the applicants from the post-exam review with facility response/action stated. This document also identifies the facility reviewed HIGH-Miss questions.
