B. Submitting Comments

Please include Docket ID **NRC-2010-0362** in the subject line of your comment submission, in order to ensure that the NRC is able to make your comment submission available to the public in this docket.

The NRC cautions you not to include identifying or contact information that you do not want to be publicly disclosed in your comment submission. The NRC will post all comment submissions at <http://www.regulations.gov> as well as enter the comment submissions into ADAMS, and the NRC does not routinely edit comment submissions to remove identifying or contact information.

If you are requesting or aggregating comments from other persons for submission to the NRC, then you should inform those persons not to include identifying or contact information that

they do not want to be publicly disclosed in their comment submission. Your request should state that the NRC does not routinely edit comment submissions to remove such information before making the comment submissions available to the public or entering the comment submissions into ADAMS.

II. Background

NUREG-1307, Revision 15, "Report on Waste Burial Charges: Changes in Decommissioning Waste Disposal Costs at Low-Level Waste Burial Facilities." Draft Report for Comment incorporates updated information and expands on the NUREG-1307, Revision 14 report published in November 2010. NUREG-1307, Revision 15, also incorporates changes resulting from a reassessment of the assumptions used for the vendor waste disposal option for low-level waste.

Dated at Rockville, Maryland, this 14th day of September 2012.

For the Nuclear Regulatory Commission.
