In the Matter of:)	
PROGRESS ENERGY FLORIDA, INC.)	Docket Nos.
(Levy County Nuclear Power Plant, Units 1 and 2))	52-029-COL, 52-030-COL
)	August 8, 2012

**INTERVENORS' UNOPPOSED MOTION TO WITHDRAW EXHIBIT INT380
AND SUBSTITUTE CLEAN COPY**

Intervenors hereby move to withdraw their Exhibit INT380, the Affidavit of Mitchell L. Griffin (Aug. 17, 2010). Counsel for Progress Energy Florida, Inc. ("PEF") has brought to Intervenors' counsel's attention the fact that the exhibit that was filed was marked with internal comments by Intervenors that were strictly intended to be shared among Intervenors and their witnesses and that they did not intend to submit to the Atomic Safety and Licensing Board ("ASLB"). Intervenors were unaware of this error until now and regret any inconvenience or umbrage caused by the error. They seek to correct it immediately by requesting the removal of Exhibit INT380 from the record and substituting a clean copy, Exhibit INT380R.

Intervenors respectfully submit that this motion is not only supported by the other parties but was requested by PEF.

Respectfully submitted,

Signed (electronically) by:
