(NOTE: This will be used as the Documents Title in ADAMS)

Hospital Dr. Cayetano Col y Toste did not submit a detailed version of its facility diagram in the renewal application. I requested that they submit the nuclear medicine facility diagram and specify what areas are located around, above and below locations of use and storage of licensed material. She stated that they use a G-M probe with their Ludlum 14C survey meter.

Action Required: Process amendment when requested information is received.
