Also, please note that there are now 3 slides on SOARCA instead of 4. Ken had asked in his email that we reduce it to 2 to 3 slides, so hopefully my revision meets the need.

Hi Richard,

Per our discussion, I revised Brian's RIC slides. The revised slides are attached. The changes I made are as follows:

Slide 8 lists SOARCA's objectives. It has the same language as in the Comm Plan update.  
Slide 9 lists SOARCA's results. It has the same language as in the Comm Plan update.  
Slide 10 mentions peer review, uncertainty study, and future SOARCA and Level 3 PRA work.

I did not revise the notes section for each slide. I am assuming you will do that.

Thanks,  
Jason
