Subject: Agenda for NRC-PEF Public Call

Bob –

This is the agenda for today's public call, as I understand it. If there needs to be a change or you have any questions, please let me know as soon as possible.

1. Clarification on EP functional responsibilities and impact of merger reorganization on EP-related application documents
2. Liquefaction – Clarification on “no liquefaction potential” statement in 2.5.4.8.7
3. Seismic/Structural – TBD

Thanks
