Karen,

Per our earlier conversation, attached is the letter NRC sent to the Mississippi FWS Field Office. Similar letters were also sent to the Louisiana Ecological Services Office and National Marine Fisheries Service regarding Section 7 consultation. Also attached are the responses from both FWS offices and National Marine Fisheries Service.

The Grand Gulf Nuclear Station (GGNS) license renewal application is available on the internet at <http://www.nrc.gov/reactors/operating/licensing/renewal/applications/gg1.html>
