8/1/2012 (12:49) Ms. Walker left a message on my voice-mail concerning the licensee's response to the NRC's RAI. I should call back at my convenience.

8/2/2012 (07:54) I returned Ms. Walker's call but had to leave a message on her voice-mail to get back in touch with me. (10:00) Ms. Walker returned my call. We went over the responses she proposed for the RAI and I requested minor changes be made. She stated that once the changes were made, she would have her supervisor sign the document and fax it to the Region I office.
