Re: Freedom of Information Act Request

To Whom It May Concern:

Pursuant to the Freedom of Information Act, 5 U.S.C. §552 et seq. ("FOIA"), I am requesting all communications between the Nuclear Regulatory Commission and Representative W. Todd Akin, U.S. House of Representatives, and his staff from January 2001 – Present.

Specifically, I am seeking all letters, requests, phone logs, e-mails, notations of conversations and other relevant materials. I am not seeking any material that may pertain to confidential information on individual taxpayers or employees.

I also request that you state the specific legal and factual grounds for withholding any documents or portions of documents, should you withhold any. Please identify each document that falls with scope of this request but is withheld from release.

If requested documents are located in, or originated in, another installation or bureau, I would request that you please refer this request or any relevant portion of this request to the appropriate installation or bureau.

To the extent that the information is available in electronic format, I would prefer to receive that information via email or CD, particularly if providing the information reduces the time or expense involved. Otherwise, I will expect to receive the information in paper form.

To help assess my status for copying and mailing fees, please note that I am gathering information for research purposes and not for commercial activities. I am willing to pay all reasonable costs incurred in locating and duplicating these materials. Please contact me prior to processing to approve any fees or charges incurred in excess of \$150.

Thank you for your cooperation with this request. I am willing to discuss ways to make this request more manageable to your office. Please do not hesitate to contact me at the number above or on my direct line at (202) 485-3148 or at munson@dsc.org.

Sincerely,

Philip Munson
