Yes, I work with Dr. David Nixon, President's office at 734-384-4166, or through the Vice President of Administration Susan Wetzel at 734-384-4206. Dr. Nixon is away right now in Ireland on vacation. However, Sue Wetzel is in. The address for the College is 1555 South Raisinville Road, Monroe, MI 48162.

If I can be of assistance, my contact information is Molly Luempert-Coy, Regional Manager, South Washtenaw, Monroe, Lenawee and Southern Wayne, 313-820-3881. I will also be coordinating the DTE Energy booth display at the DRAFT EIS Public meeting. We will have representatives from our YNG and WIN groups with me. Thanks.

Molly,

Can you please provide your email and phone number to Bruce and John at the NRC.

Also, can you provide a contact for them at Monroe Community College to discuss possibly being an interested party for Fermi 1 mitigation and possible setup of Fermi 1 exhibit at the college. thanks.
