Sharon,

Attached is a FOIA request for any letters, reports, e-mails or other documents in response to the OMB M-12-12 issued May 11, 2012 (conference costs of federal agencies).

The Division of the Controller did not issue any agency guidance as a result of OMB M-12-12. We have no documents to submit as part of this FOIA request.

I do believe that DPB may have prepared guidance or Jim and Bill Borchardt may have sent a joint memorandum relating to the OMB memorandum. DOC did not issue any guidance on this subject.

Please let me know if we need to do anything else.

Mary
