We will not be discussing the draft RAI on Chapter 3.9.2 this afternoon. I'll apprise staff the new plan and scope and schedule later.

NINA will be participating in the Fukushima RAI this afternoon and suggested to postpones the discussion on ACRS Action Item 95.

Because of the above, this afternoon's OI call will be limited to my discussion with NINA on other topics not involving technical staff.

Please inform your contractor(s) of this cancellation.
