RE: Verification of General License Regulatory Requirements
Noble Energy, Inc.

Gentlemen,

In response to the letter dated July 24, 2012, Nobel Energy Inc. understands its obligations arising from Noble's status as a NRC General Licensee. Noble Energy Inc. is committed to ensuring compliance as outlined in 10 CFR 31.5. Additionally, Noble Energy Inc. will affix the general license label on the radioactive device if and when it should return to the surface. Noble Energy Inc. is committed to regulatory compliance and looks forward to working with the NRC in this regard.

If you require any additional information or have any questions do not hesitate to contact me at (281) 876-6238, or by e-mail at SHernandez@nobleenergyinc.com.

Respectfully,

Suzanna Hernandez
Regulatory Analyst
