Subject: Notice of Termination of Licensed Activities at a Site, License No. 22-00057-03

Dear Mr. Satorius:

This correspondence satisfies the requirement listed in 10 CFR 30.36 to provide a report within 60 days of terminating licensed activities at a site. As of 19 June 2012, 3M Company removed all radioactive material from its facility located at 5400 Route B, Columbia, Missouri, 65202. A formal request to US NRC Region III to remove this location from the subject license is forthcoming.

If you have any questions, please contact me at 651-736-0498.

Sincerely,

For
Frederick B. Entwistle, CHP®
