Dear Sir or Ma'am:

We request the Nuclear Regulatory Commission consolidate license number SUB-1391 issued to Tooele Army Depot (TEAD) into license number SUC-1380 issued to the US Army Joint Munitions command (JMC). This action will terminate the SUB-1391 license and the SUC-1380 license would assume responsibility for licensed material and operations at TEAD. We have enclosed a memorandum from TEAD to JMC requesting consolidation of the licenses.

The SUC-1391 license and the SUC-1380 license are both Army licenses covering depleted uranium ammunition items and both authorize the same storage, handling, and logistic operations. The SUC-1380 license currently lists TEAD as a bulk storage installation.

We view the license consolidation as a positive action as it will reduce the total number of Army licenses by one, reduce the amount of annual license fees paid by the Army, and eliminate the current redundancy between the two licenses.

The SUC-1380 license will continue to identify Mr. Kelly Crooks as the radiation safety officer and Mr. Gary Buckrop as the alternate radiation safety officer. There are no changes in radiation safety personnel at TEAD. Our points of contact for questions or comments are Ms. Glenna Smith, (435) 833-3888, Email address [Glenna.b.smith.civ@mail.mil](mailto:Glenna.b.smith.civ@mail.mil); or Mr. Daniel Janssen (435) 833-2024, Email address [Daniel.d.janssen.civ@mail.mil](mailto:Daniel.d.janssen.civ@mail.mil).

Hi Michelle. I work at the Tooele Army Depot. I have been coordinating with Jackie to consolidate our license with our headquarters license. The letter should explain. Let me know if you need more information.
