08/20/2012 (09:15) Mr. Davis called to inquire if the licensing action concerning the change in ownership had been processed. I stated that I had not looked over the request at this time but expected to by the end of the week. I suggested that he call me on Thursday for an update on the request. I also explained some changes in the regulations which would occur October 1st which would change his license to an E license from HQ.
