Questions concerning Standby Trust Agreement

(NOTE: This will be used as the  
Documents Title in ADAMS)

8/20/2012 (15:25) Mr. Higginbotham called because he had been given the NRC's RAI for the financial instrument revisions to the regulations and he had questions. He asked if the change in the regulations affected the current financial instrument which was a self-guarantee. I replied that there were no changes in the self-guarantee being requested by the NRC. However, a standby trust agreement would be required in addition to the self-guarantee. I helped them navigate to NUREG-1757, Volume 3, Revision 1 and they looked over the STA. They stated that if they had any further questions, they would get back in touch with me.
