Subject:

Fees Owed for FY 2012 and other issues

(NOTE: This will be used as the
Documents Title in ADAMS)

8/20/2012 (13:30) I was able to contact Dr. Bortolot and speak to him about issues that needed to be addressed so that an Order Revoking the License would not be issued. (1) LFB 12-2836 remains unpaid and (2) the need to complete the Small Entity Status Form to receive the reduction in fee. Dr. Bortolot indicated that he had received the information and documents by email from an individual in fees but had only gotten time to complete the forms recently. He claimed that a lot of the time had been taken up by an accident, rehabilitation from the accident and amount of time necessary to keep a one-man business operating. I urged him to contact Lynn Bates of NRC Fees so that he could straighten out the issue and provided him with a phone number and email address. Dr. Bortolot indicated that he would take care of the business but would not give me a time frame within which to expect action. 8/21/2012 I received an email from Lynn Bates in which she provided details on the information required to close out the action and eliminate the need for an Order. I forwarded the document to Dr. Bortolot's email address.
