Subject: RE: Fermi 3 Open Items Conference Call - Thursday August 9th - Need #'s

Mr. Keegan:

The August 9th meeting is in the process of being cancelled. This should be reflective on the public web site shortly. We will not have a call on August 16th due to the conflicting ACRS meeting. And the call-in numbers for the meeting on the 23rd and 30th have not yet been generated.

Hello Tekia,

Could you please provide me with phone in number and code for the Open Items / RAI Conference Call set for this Thursday, August 9 @ 1:00 pm. If you do have the call in numbers and code for the meetings set for August 23, and August 30th those would be most welcome at this time. If there are specific documents pertaining to the August 9th meeting an advance copy would be appreciated.

Thank you
Michael J. Keegan
