MEMORANDUM TO FILE

SUBJECT: CORPORATE NOTIFICATION, 50-184/OL-13-01, National Institute of Standards and Technology

On May 24, 2012 received an e-mail from Tom Myers at NIST requesting an examination for one applicant either the first week of August (8/1 - 8/8) or in September (9/17 - 21). I responded that our schedule reflected the following available exam dates: the week of 10/15 or 10/22.

Examination materials were received on or about July 25, 2010.

A sight visit, for the examiner, is to be schedule for early October to review recent facility changes during the last NIST outage.

The examination is scheduled for October 22, 2012.
