Subject: Request for additional information – license amendment

I contacted James to ask about the supervised work experience for Vito Errico, M.D. I stated that I felt he must have had at least the required 500 hours since he listed 7/2000 to present but since he did not list the total hours completed on the NRC Form 313 AUD I wanted to confirm this fact. James stated that Dr. Errico has well over the 500 hours since he has been working under Dr. Paul Davis' supervision since 2000.

I also reminded James that their license expires at the end of the year. He said they would be renewing the license. I directed him to NUREG 1556 Vol. 9 Rev. 2. for guidance on completing the application.

Action Required: Process amendment to add Vito Errico, M.D. as AU for 35.100 and 35.200
