Aberdeen Proving Ground, MD 21005-5059

SUBJECT: DEPARTMENT OF THE ARMY, ACCEPTANCE OF NOTIFICATION OF NEW  
AUTHORIZED USERS, CONTROL NOS. 578093, 578094, AND 578095

Dear COL Graham:

This is in reference to your letter dated August 10, 2012 notifying the NRC that you are the Management Contact for the three licenses listed above. No further correspondence on this matter is required.

Please note that the office of the Region I Division of Nuclear Materials Safety has moved effective May 9, 2012. Our new address is:

U. S. Nuclear Regulatory Commission  
Region I  
2100 Renaissance Blvd, Suite 100  
King of Prussia, PA 19406-2713

The NRC's Safety Culture Policy Statement became effective in June 2011. While a policy statement and not a regulation, it sets forth the agency's *expectations* for individuals and organizations to establish and maintain a positive safety culture. You can access the policy statement and supporting material that may benefit your organization on NRC's safety culture Web site at <http://www.nrc.gov/about-nrc/regulatory/enforcement/safety-culture.html>. We strongly encourage you to review this material and adapt it to your particular needs in order to develop and maintain a positive safety culture as you engage in NRC-regulated activities

G. Graham

2

Your cooperation is appreciated.

Sincerely,
