**Subject:** RE: ERAI Report dated August 29, 2012

Chandu,

While reviewing the eRAI report that you sent, I noticed that the wording and the number of possible the question statuses has changed. Are the statuses "Issued/Waiting for response" and "Waiting for official response", and "Response evaluation" and "In evaluation" effectively the same status?

Is the table below a correct "translation" between the old and new question statuses?

Old "Question Status"	New "Question Status"
Issued/Open Action Applicant	Issued/Waiting for response
	Waiting for official response
Responded	Response evaluation
	In evaluation
Confirmatory Action Applicant	Confirmatory Action Applicant
Confirmatory Action NRC	Confirmatory Action NRC
Resolved/Closed	Resolved - Closed
Question Closed/Issue Unresolved	Unresolved - Closed

Thanks,

Ross
