Subject: Request for Time Extension – Reply to NRC Inspection Report Number 99901043/2012, Notice of Nonconformance - Request for Additional Information

Westinghouse acknowledges receipt of NRC Westinghouse Electric Company Response to the Nuclear Regulatory Commission Inspection Report Number 99901043/2012, Notice of Nonconformance - Request for Additional Information dated July 25, 2012.

In order to complete the above activities and ensure a comprehensive evaluation of the request for additional information associated with the Nonconformances, Westinghouse respectfully requests that the NRC grant an extension to the reply date. This will enable us to confirm that the reply adequately addresses the identified issues and accurately describes the actions that are being taken and have been taken. Therefore, Westinghouse requests that the reply due date be extended to October 12, 2012.

Thank you for the NRC's consideration in this matter.

Very truly yours,
