RE: Docket No. 40-8857
SUA-1511
Management Change

Dear Mr. Holonich:

As you are aware, Cameco Resources (U.S.) Inc. acquired Power Resources, Inc. (PRI) and the corresponding NRC License SUA-1511 was transferred accordingly. At the request of Mr. Robert Evans of NRC Region IV, this correspondence notifies you that S.P. Morzenti, former Vice President of Development for PRI declined employment with PRI after Cameco Resources (U.S.) Inc. acquired the company. Therefore, please delete S.P. Morzenti from any mailing lists and include Crew Schmitt, President, at the following address:

Power Resources, Inc.
1560 Broadway, Suite 1470
Denver, CO 80202

As discussed with Ms. Linda McLean and Mr. Robert Evans during the March 10-13, 1997 routine inspection, the PRI Environmental and Radiation Safety staff now report directly to Crew Schmitt, President.

If you have any questions, please call.

Sincerely,

WFK for P.R. Hildenbrand
