Attachments: ENV-04 RAI_6746_CR.pdf

Please find attached RAI Env-04 for the Bell Bend COL application. The ENV-04 RAI is the same as the CR-7 draft RAI that was provided to you on August 13, 2012 as part of a complete table of draft RAIs. There was no request for a clarification discussion of this draft RAI. No other changes are necessary; hence we are issuing this RAI as final.

The schedule we have established to the review of your application assumes technically correct and complete responses within 30 calendar days of receipt of RAIs. For any RAIs that cannot be responded to within 30 calendar days, it is expected that a date for receipt of this information will be provided to the staff within the 30-day period so that the staff can assess how this information might impact the schedule.

Please contact me if you have any questions.
